9 INGENUITY 13 LLC,

10 *Plaintiff,*

11 v.

12 JOHN DOE,

13 *Defendant.*

CASE NO. 2:12-CV-8333-ODW (JCx)

Judge: Hon. Otis D. Wright, II  
 Magistrate Judge: Hon. Jacqueline Chooljian

14 NOTICE TO THE COURT

15 I respectfully submit this notice to the Court. On June 21, 2013, I was informed that  
 16 attorneys Morgan Pietz and Nicholas Ranallo have been submitting documents to the Court without  
 17 serving anyone. For the Court's information, I have not received *any* documents from Pietz or  
 18 Ranallo since I was first ordered to appear as a witness at the March 11, 2013, hearing. In fact, Pietz  
 19 has admitted to never serving any of the *pro se* persons in this case. Everyone (even Pietz) agrees  
 20 that Pietz broke the rules. The only real question is whether and how this Court will address the  
 21 harm that Pietz has caused me, the other participants in this proceeding and the Court.

22  
 23 Pietz's fraud has caused me great harm. The Court's sanctions order, for example, found that  
 24 I had engaged in misconduct by participating in a scheme and reaping benefits. It was very  
 25 expensive for me to fly out to the April 2 hearing, book a hotel room, dry clean my suit and take time  
 26 off of work. My only participation in the April 2 hearing was to greet the Court at the beginning of  
 27

28 NOTICE TO THE COURT

CASE NO. 2:12-CV-8333-ODW (JCx)

1 the hearing. The Court might understand my surprise when the Court found I had engaged in serious  
2 misconduct. The Court's finding of misconduct has harmed my ability to do my current job, will  
3 make it very difficult for me to gain future employment, and has harmed my reputation.

4 Of course, now I have a fuller appreciation for what really happened. Although I had  
5 minimal participation in the April 2 hearing, Pietz was secretly submitting documents to the Court to  
6 attack me. Rather than follow the rules and give me a fair chance to respond, Pietz chose to break  
7 the rules so that the Court would only hear his side of the story. I still have no idea what Pietz  
8 submitted, but it must have been pretty bad because there is a big difference between greeting the  
9 Court and engaging in misconduct.

11 I have confidence in our government and I have confidence that this Court will do what is  
12 necessary to prevent me and other innocent people from being injured by the corrupt practices that  
13 resulted in the Court only getting one side of the story. The corrupt practices of attorneys Pietz and  
14 Ranallo call into question the integrity of every document they have submitted to the Court. I hope  
15 that this Court will punish the obvious fraud of these attorneys to the fullest extent of the law.

17 I also hope that the Court understands that its orders have a real impact on people like me.  
18 The sanctions order has harmed me permanently, yet it was procured by fraud by Pietz. The public  
19 depends on courts to address injustices resulting from sickening fraud. As licensed attorneys, Pietz  
20 and Ranallo have no excuse for ignoring the rules and they have no excuse for defrauding the Court.  
21 I hope that the Court will do the right thing.

23 DATED: June 28, 2013

Respectfully submitted,
